

# Sustainable Floor Solution

Our collaborative donation with Dr. Schutz was instrumental in revitalizing a local community center's basketball floor that had become heavily worn and damaged.

**Dr. Schutz®**

- Dr. Schutz Colorize floor ReMake using "COLORIZE"
- Dr. Schutz was instrumental in revitalizing a heavily worn & damaged local community center gym floor
- This ReMake was the most sustainable option for a heavily worn & damaged rubber gym floor
- We avoided putting thousands of pounds of rubber flooring in landfill
- We had the least amount of downtime compared to full flooring replacement
